

# Restaurant Protocol for Students at Oriol High School

## Students are required to:

- Enter the restaurant through the entrance ONLY in a quiet and orderly manner
- Collect your tray (catering staff have been advised not to serve a student that does not have a tray)
- Collect your cutlery
- Queue in the line for the type of food you require (students will not be served pizza for example from the jacket potato queue). You will need to get your dessert and your drink at the same time as your main course – no queuing twice.
- Sit at a table and eat. You should use your cutlery and eat your food in an adult manner.
- You are responsible for clearing the table and clearing your plate and rubbish to tray racks and bins.
- You must leave the restaurant via the exit only, as soon as you have finished eating – you should not be in the restaurant if you are just socialising or chatting.
