Charging & Remissions – Trips & Visits Policy

Date Amended: September 2014

Date of Ratification: 10 September 2014

Next Review Date: September 2017

Purpose:

Purpose of the policy

The purpose of this policy is to provide clear information about charging and voluntary contributions for Oriel High School's school activities.

Voluntary Contributions

In general, no charge can be made for admitting pupils to maintained schools. Where education is provided wholly or mainly during school hours, it should be free. It is therefore not possible to levy a compulsory charge for transport or admission costs for swimming lessons or for visits to museums, etc. during school hours. Oriel High School follows the West Sussex policy for charging for school activities that mirrors the information given in the Department for Education's advice document published in November 2013

No compulsory charge will be made for any activity which takes place during school hours. Any contribution is entirely voluntary, and the students of parents who are unable or unwilling to contribute are not discriminated against. However, where there are not enough voluntary contributions to make the activity possible, and there is no way to make up the shortfall, then the activity will be cancelled.

Arrangements

All letters regarding contributions for school activities will make it clear that these are voluntary, and that children of parents who do not contribute will not be treated differently. If any parents have any financial difficulty (no child will be prevented from taking part) they will be invited to talk to the school bursar who will come to an agreed arrangement.

Residential trips

Special rules apply for residential activities.

a) In School Hours

If a residential activity takes place largely during school time (50% or more of the whole time spent on the activity occurs within schools hours), it meets the requirements of the syllabus for a public examination or is to do with the national curriculum or religious education, no charge will be made either for the education or for the cost of travel. However, charges not exceeding the actual cost for the individual pupil will be made for board and lodging. Voluntary contributions (as above) will be requested.

Children whose parents are in receipt of the following support payments will, in addition to having a free school meal entitlement, also be entitled to the remission of these charges:

- Universal Credit in prescribed circumstances
- Income support

- Income-based Jobseeker's Allowance
- Support under part VI of the Immigration and Asylum Act 1999
- Child Tax Credit, (provided that the parent is not entitled to Working Tax Credit, and their annual Income, assessed by HMRC does not exceed £16,190 for the year 2013/14
- Guaranteed element of State Pension Credit
- An income related employment and support allowance that was introduced on 27 October 2008

b) Outside School Hours

An activity is deemed to take place out of school hours if 50% or more of the whole time spent on the activity occurs out of school hours. In this case, and for a residential trip, this will be considered as an 'optional extra' and a charge will be levied which includes an appropriate element for travel costs, board and lodging costs, materials and other equipment, non- teaching costs and teaching staff costs. This charge will not exceed the actual cost of the provision.

Parents in receipt of the allowances identified above have the same entitlements.

Monitoring and Review of Policy

The Governing Body will review this policy every 3 years, and as necessary due to any changes in legislation.
