

Spending Evaluation for Pupil Premium Funding 2017 - 2018

Intervention Name	Number of pupils assigned	Amount allocated to this Intervention/action	Intended outcomes	Actual impact reported
Small group Maths tuition - in school	24 students in Year 11	£500	To narrow the attainment and progress gaps between PP and non PP students in Mathematics across the school.	Maths tuition has been very successful over the last couple of years. This year we tried grouping students with similar abilities, to take part in Tute maths or computer sessions with our Head of Maths - Mr Pryde. Students were engaged and interacted well with competing against their class mates.
Tute Science lessons	24 students in Year 11	£750	To use the power of technology to deliver teacher led lessons through online learning, providing a more innovative and effective ways of engaging and enthusing our students.	Our students thoroughly enjoyed the Tute sessions last year, so this year we decided to run two classes at the same time, so more students could attend/benefit. As always, the sessions were fully subscribed and a real success.
Life Coaching	40 students mainly focusing on Year 11 and 10.	£7,000	Students work with our Life Coach to set individual goals based on their specific needs, whether that be, academic or personal issues.	Tailored to individual students needs from helping them prepare an exam timetable to dealing with exam nerves and stress. Students have reported back how they have benefited from sessions. This year we had an increased number of students request to see our Life Coach, some of these were new to Life Coaching completely, others wanted a few catch up sessions.

Trips and visits	All years	£2,000	To assist disadvantaged students with the help towards the cost of educational trips and visits outside of school.	Increased number of students attended the Y7 residential trip. In addition more parents calling for financial assistance towards the cost of trips.
Achievement Voucher	Year 7	£1,600	To help support students learning outside of school. To foster positive relationships with parents.	The introduction of our 'Achievement Voucher' has been very successful over the last two years, with over half the students offered claiming back their voucher. Majority of the students put their voucher towards an electronic item to help support them in school and with homework. Due to the continued success of our Achievement Voucher, we are looking at the possibility of offering it to another year group as well next year.
Y6 Summer School	Year 6	£400	To benefit the transition process positively and improve literacy and numeracy.	Feedback was very positive from our feeder schools, regarding our 3 day Summer School. We had over 50 Y6 students attend.
Travel support	All years	£3,000	To help improve the attendance of students who have moved out of area, due to a change in their home circumstances. Travel costs are also supported for students who attend college courses.	Improvement in attendance for students attending college courses and students arriving to school on time.

Extra Curricular and External Provisions (Such as Music lessons, Hair-tastic, Firebreak, Angling 4 Education)	All years	12,000	Supporting specific courses inside and outside of school, with targeted students, to enable them to make new friendships, build up confidence and self esteem and have the opportunity to take part in an activity which interests them.	Positive feedback from instructors and parents. Noticeable improvement in confidence, behaviour in lessons and attendance. Evidence to support these provisions as effective. Greater number of students attending after school clubs more regularly.
Stationary, books, laptops and computer software	All years	£6,500	To ensure students have all the necessary equipment to feel confident and prepared for examinations/school day.	Students arriving more prepared to lessons and exams. Laptops loaned to students without a computer/tablet allowing them to access school web based resources at home.
Counselling Sessions	All years	£16,000	Providing a therapeutic approach to help students explore and understand difficulties they may be having.	Feedback from parents and reports from the school counsellors indicate that students value their support and benefit from these sessions.
Staffing - Intervention Co-ordinator, Deputy Heads of Learning Communities and Pupil Premium strategic lead (DHT)	All years	£109,000	To increase the capacity for supporting our Pupil Premium students.	Having a dedicated team to support our Pupil Premium students has enabled us to build close relationships with both students and parents. Allowing us to gain a greater understanding of how we as a school can support these families, with the ultimate goal being to progress student attainment.
	Total	£158,750
